

INSTRUCTIONS FOR NITROUS OXIDE (Laughing Gas)

1. No breakfast or liquids if your child's appointment is first thing in the morning or for 3 hours before the scheduled appointment time if the appointment is scheduled in the later morning. If you do feed your child, please keep the meal small and easily digested. Please avoid all dairy products since they take longer to digest.
2. Please call to discuss and possibly reschedule the appointment if your child has a cold, asthma attack, difficulty breathing or any other illness.
3. If your child uses inhalers for asthma, please bring them with you.
4. Nitrous oxide can only be scheduled in the morning.
5. Please call if you have any concerns or questions you wish to discuss.
